What can you do to help?: When we come together to pray and celebrate the Sacraments, we form the community of the Church – the Mystical Body of Christ. So many people help out in our two parishes, for the good of the community as a whole, and we all benefit from their kindness and generosity. Whether they are helping in the Mass by reading, or as extraordinary ministers of Holy Communion, or serving, or singing, or giving out or collecting hymn books or counting the collection – no matter what they do, they are helping the community of the Faithful – that is YOU and ME. Some people help organise social or celebration events, or clean the Church, or arrange flowers or help with the tending of the grass, grounds or repairs to buildings – They serve the Church – YOU and ME. Many of the people who do it are in their more mature years 70's, 80's, even approaching 90's ... When they are not able to do it What will happen? Should we be expecting them to keep going and serving us – the community, until they are no longer able? Is this RIGHT or even JUST?

Please consider how you can come to the help of your community, and through your valuable gift of time, energy and skill – build up the community– The Mystical Body of Christ. If you can help– please see Fr Phillip or Sr Angela. Thank you.
