Please Note: You can come to ANY Mass. **The obligation to attend Mass on Sundays and Holy days is suspended.**

Every effort has been made to make the Church building and our attendance at Mass as safe and secure as possible. The procedures we are following are as a result of governmental guidance and the instruction of the Bishop’s conference of England and Wales, and even though it is not what we are used to in ordinary times, it is a way of providing safety and reassurance to our community of faith. Your safety and wellbeing are paramount! Please do everything that is asked of you, and be assured of a safe and protected environment.

The windows have to be open to provide for good ventilation, and unfortunately the toilets are not in use as this is part of the guidelines we must follow. Thank you for your co-operation and understanding at this time.

The Church in Newcastle Emlyn: will remain closed until further notice, as there is not adequate room to provide for social distancing rules needed to allow us to celebrate Mass in reasonable numbers. Please God, we will open soon.

Requesting a Mass to be celebrated: Masses can be celebrated for persons living or those who have died, also a Mass may be celebrated for another reason, such as a special intention, or in thanksgiving. If you would like to request a Mass to be celebrated for a particular intention, please complete a Mass Request envelope, and return it either through the presbytery letterbox, place it in the collection bin at the back of the Church, or give it to Fr Phillip. A donation is usually made, which is never to “buy” a Mass, but rather to contribute to the keeping of the priest for that day.

Giving financial support to our parishes: there is no collection taken at Mass at the moment, as it presents a risk of contamination or spread of the coronavirus, however, there is a bucket at the back of the Church for you to put in your usual collection. An easier way to make a regular donation is to set up a standing order with your bank. Please either collect a form from the wardens or Fr Phillip to set up a direct debit to either Cardigan or Newcastle Emlyn Parishes, and if you pay TAX, please ask for a gift aid form also, as this allows our parishes to claim money from the government, at no charge to the donor. Thank you in advance for your kindness and support.

A big thank you: to all who have helped in allowing our Church doors to open for the celebration of Mass. Without the help of our volunteer stewards who greet us at the door, take our contact details, help us in the building and sanitise the Church after every Mass, we would not be able to open – Diolch o galon – Hertfelt thanks!!

Looking to the future: Please continue to pray for the sick and those who care for them.

As a wider community, we need to do all we can to limit the spread of the Corona virus. Spain and France are currently experiencing high rates of transmission, and different areas of the UK are experiencing localised lockdowns.

I am doing my best to get help in setting up a live streaming service from the Church, so if we are not able to celebrate Mass publicly, at least we will be able to celebrate Mass via YouTube, or a similar platform. More information will be available as it comes in. Stay safe and well, and let us pray for one another – God bless you – Fr Phillip
